Dear Resident/Business

ROAD RESURFACING WORKS

As part of the Streets Ahead highway works we are writing to let you know that we are due to resurface some of the main roads in your area.

Work is due to start **week commencing 20 November** and will take approximately **2 weeks** to complete. Please refer to the schedule of works at the end of this letter for further information on the roads that are included and times of work for each road.

Parking and access arrangements

Please note this work will be completed under a road closure and there will be no on-street parking on the roads that we are resurfacing. Vehicles left on-street may be towed away and you will need to pay a fee to have your vehicle released.

Temporary road signs will be displayed five days before work starts, confirming the dates of work and parking restrictions.

If you are away during the period in which the works are scheduled to take place, please avoid parking your car on the road. Our work schedule is heavily dependent on the weather and can be affected by unforeseen circumstances so it may be necessary to change the start date at short notice. We will tow cars that are delaying our works.

Please let our on-site supervisor know if you need vehicle access to your property for urgent reasons. Pedestrian access and access for emergency vehicles will be available at all times.

making Sheffield
smoother.

Bogus Callers

If you are approached by someone claiming to be from Amey, the Council or connected to the Streets Ahead contract offering to resurface your drive please do not handover any money. If possible take the callers details, including their vehicle registration number and we will inform the Police. All Streets Ahead and Amey employees carry identity cards. If you have any doubts about the identity of a person carrying an identity card please call customer services

Bus service and bin collection changes

Changes to your regular bus service or diversion routes will be publicised by South Yorkshire Passenger Transport (SYPT). Please check your local bus stop or www.travelsouthyorkshire.com for any route changes. You can also call Traveline on 01709 515151 or follow @TravelSYorks on Twitter.

If there are any changes to your bin collection days these will be communicated by Veolia at www.veolia.co.uk/sheffield on Twitter @Recycle4Shef or by calling 0114 273 4567 between 8am and 6pm.

Further information

Please follow progress on Twitter @sccstreetsahead #SAA24

If you would like to discuss any issues, please contact us on 0114 273 4567 or email streetsahead@sheffield.gov.uk.

Thank you

We appreciate that any disruption can be frustrating and thank you in advance for your co-operation whilst these important works are completed.

Kind regards

Streets Ahead
